

# Joy In Surrender (A Covenant Prayer)

Jonathan Goh and Bertrand Tan

## Verse 1

No longer I, but thine  
Not what I will, but Yours forever  
Put me to deed, put me to suffering  
I freely give and yield to thee

Time sig: 4/4  
Tempo: 86 BPM

## Verse 2

Let me be full, let me be empty  
In every trial, in every blessing  
Let me have all things, let me have nothing  
Oh you bid me come and die  
Oh you bid me come and die

## Chorus

Cause there's such joy in surrender  
Such peace in uncertainty  
A hope in not knowing why  
I put my trust in Your great love

## Bridge

Oh when the going gets tough I'll lean upon Your promise  
Knowing that You'll lead me and You'll straighten out my way  
Lord wherever You go I'll follow You the same  
Cause where else can I go from You?

Verse 3
